

MS Consultant – Occupational Therapist Service Innovation

- **Purpose** to work with participants who have an NDIS package, compensable funding, fee for service
 - Pursue their goals, objectives and aspirations
 - Increase or maintain their independence
 - Increase or maintain social and economic participation and build their capacity to actively take part in the community.
- **Responsible** for providing a range of specialist clinical services to support participants with disabilities to meet their identified needs.

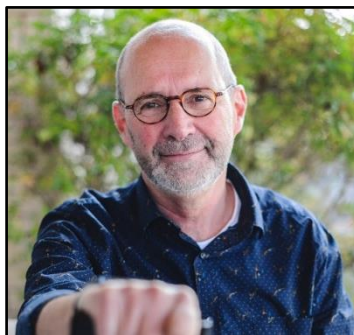

Multiple Sclerosis Limited, commonly known as MS, is the go-to provider of information, advice and support for people affected by multiple sclerosis.

We're a combined entity of the ACT, NSW, Victoria and Tasmania with over 60 years' insight into how to live well with progressive neurological conditions.

We offer vital support and services for people living with multiple sclerosis while the search for a cure continues.

We are here so no one has to face MS alone.
